

## **TESTIMONIAL**

We've dealt with Arlene Cole for many years and throughout this time our real estate expectations were always exceeded.

We have nothing but admiration for the effort, professionalism, punctuality, honesty, humor, attention to detail and non-stressful experience in which Arlene handled our business.

All our questions were answered with her extensive knowledge of the Ottawa market from an experienced realtor.

Most of all, we appreciated Arlene's vast contacts she provided us for home repairs, carpet cleaning, home inspections, lawyers, etc...We received excellent service from them all and we also appreciated Arlene's after service she provided us during the following months.

From both the sale and purchase, Arlene made the whole experience a pleasant one. Our sincere thanks to Arlene for guiding us through the process of a quick and successful conclusion. We couldn't have asked for a better realtor.

Sincerely,

Daniel and Sarah Barry
